

2_A

Using the Notes App

1. Turn on your iPad/iPod and open the Notes App: see the icon above or run a search to locate the Notes app.

2. Start a new page: Tap the  icon in the top right corner to add a new page.

3. Label the page: Tap the newly created page and type “Prefixes” on the page using the onscreen keyboard.

4. Type the prefixes: Continue using the onscreen keyboard to type the following prefixes:

- A. Counter
- B. Dys
- C. Ante-
- D Inter-

(use this page to take notes on the definitions at this station)
