3 Create a QR Code

1. **Turn on your iPad/iPod and open Safari**: Navigate to the QR Code Generator web site: http://qrcode.kaywa.com/

2. **Create a Text Code with Contact Information or Your Schedule:** Once you arrive at the QR Code Generator Site, tap the radio button next to "TEXT" and then type your contact information (or schedule) in the 250 character free text box.

3. **Generate the Code & Save the Image:** Click the "Generate" button and then tap and hold on the image to save it to your photo library.
